

Ring of Fire

Ring of Fire Materials List

1, 110 gram skein sportweight wool yarn for Cain Color

1, 110 gram skein sportweight wool yarn for Contrast Color

Size 5 US 16" circular needles and size 5 US double pointed needles (or size required to achieve gauge)

Row counter

Stitch markers

Yarn needle

Ring of Fire Step by Step

Size: One

Finished Measurements: 9" high, 22" circumference

Gauge: 13 sts = 2"; 16 rows = 2"

Abbreviations found at end of pattern.

1. With CC, CO 144 sts on size 5 US 16" circular needles, placing stitch markers every 24 stitches. Join round and begin working chart. The chart is 24 stitches long, and will be repeated 6 times each round of the hat. Switch to DPNs when circumference of hat requires.
2. After working the chart, knit one final round by K2TOG all stitches. This should leave 8 stitches on the needles.
3. Break yarn, thread yarn needle with the end of the yarn and draw the needle through the loops of the remaining stitches. Pull tight, bring to inside of hat and knot.
4. Weave in ends.
5. Block. Colorwork can often cause puckering and bunching of stitches, so blocking the finished hat can smooth out any bumpy areas.

Abbreviations

CC = Contrast Color

CO = Cast on

DPNs = Double pointed needles

K = Knit

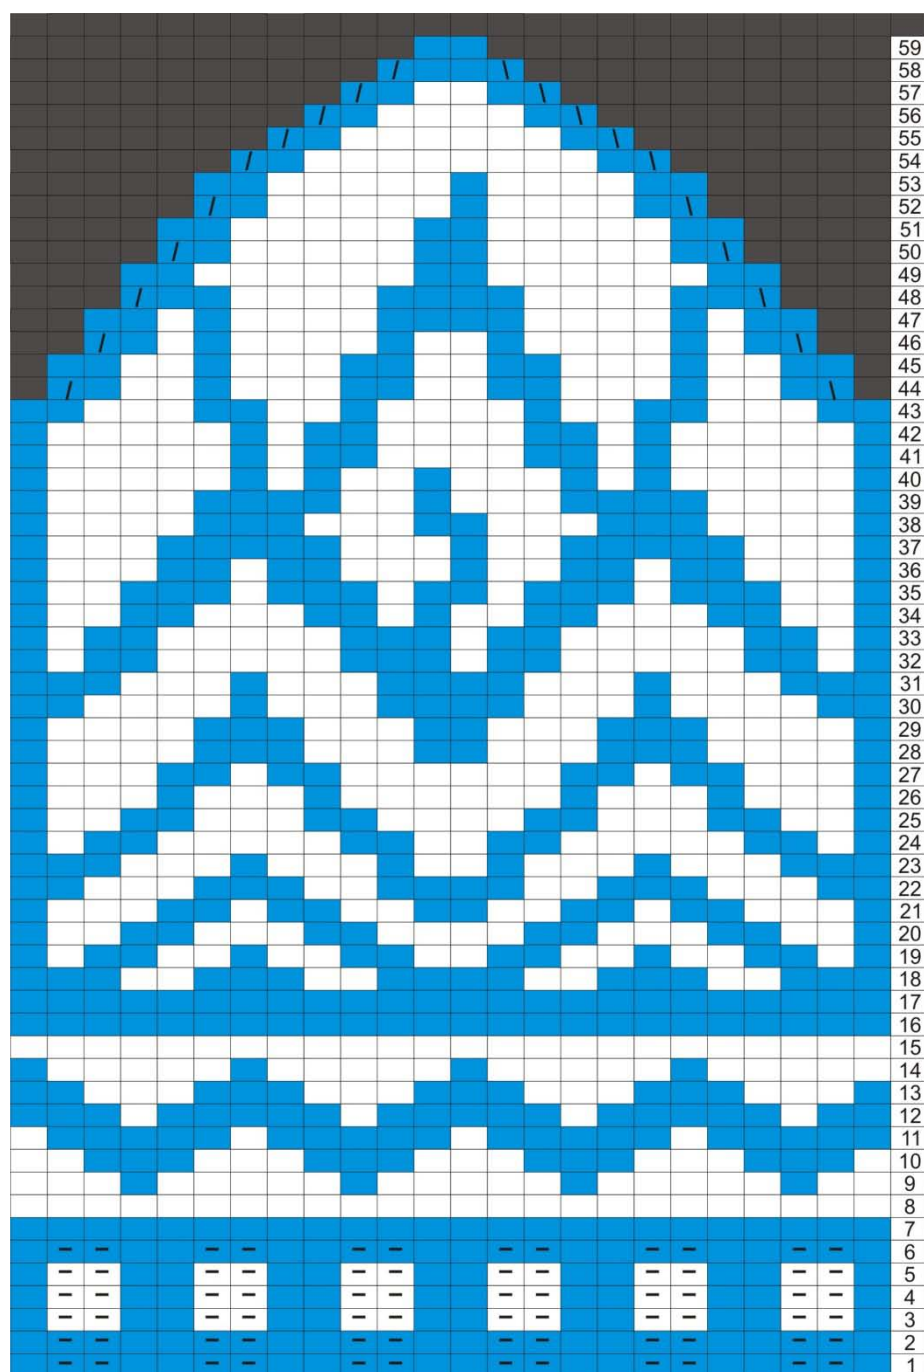

K2TOG = Knit two stitches together

MC = Main Color

P = Purl

SSK = Slip one stitch knitwise, slip the next stitch knitwise, and then knit the two slipped stitches together through the back loops

sts = Stitches

White square	Knit, MC
Blue square	Knit, CC
Grey square	No Stitch
-	Purl, MC
-	Purl, CC
/	SSK, CC
\	K2TOG, CC
